A natural perfume just for you

the gift that you expect or would like to make

Perhaps you would like to create your personalized perfume with the incredible scents that nature offers and at the same time enjoy the blessing that plants provide. More than 300 fragrances are available: flowers, wood, herbs, berries, fruits to create the fragrance that suits you. ([more information](#))

myrte.féérique - fairy myrtle

All fragrances are created taking into account the allergens in plants. They are in line with standard ISO 9235, as well as European safety standards and the international code of perfumes (IFRA or International Fragrance Association).

☀ To hold your perfume you can choose a beautiful vial in the [bottle collection](#) (picture of some vials). Of course, you can also buy them separately.

☀ At your disposal also a [natural cosmetics line](#) BDIH (= Ecocert) or Natrue certified, which can be perfumed with your own fragrance.

☀ For your home, your office, spa ... You can also choose [scents atmosphere](#) invigorating, soothing, soft, anti-stress All fragrances are 100% natural and organic and can be used in candle, electric as well as professional diffusers.

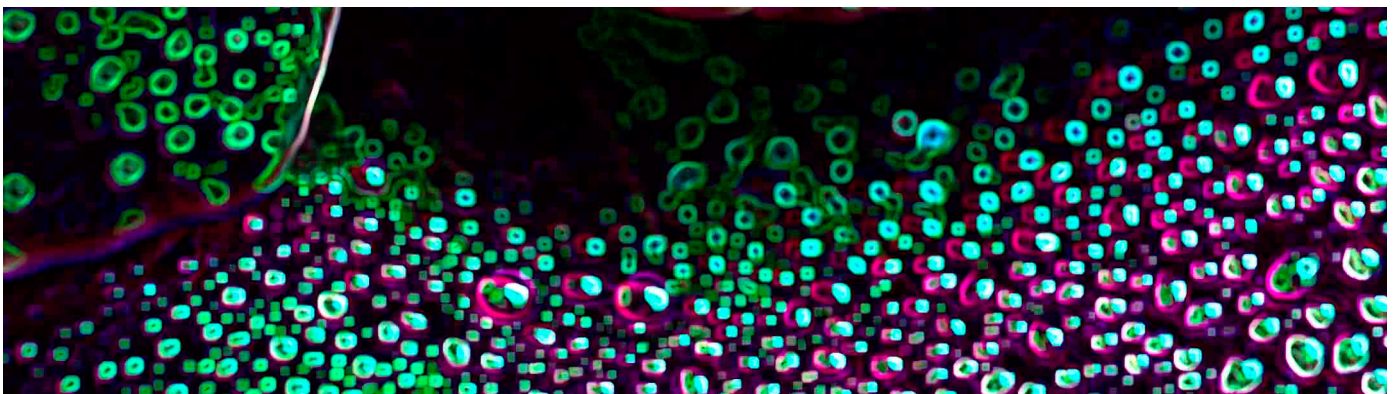

* [swiss tv report upon scents in hospitals \(french\)](#)

A few articles: : [Capitole Santé, \(french\)](#) ([german](#)) [Migros magazine](#)....and for a [greater choice](#) (Tages Anzeiger, Agefi, Ghi, Zürichsee-Zeitung....)

Gift certificates available !

If you can not come in my little workshop, **with my two suitcases** filled with jars, I can come to you and create your perfume.
